It is like travelling back in time as we visit stunning beaches, a castle used in the filming of the Game of Thrones, abandon villages and peaceful coastal villages. We stop for coffee and a delicious Menu del Dia (included) at a beach front restaurant. If the weather is kind to us and the seas are calm, we take an after lunch boat ride to discover the nooks and crannies of this amazing volcanic coast from the water.
- Returning to the hotel for approximately 17:45
- Menu del Noche at the Hotel Restaurant which includes a glass of wine, beer, water or soft drink, table salad, first & second course to choose and a dessert.

DAY 3 THURSDAY 28TH SEPTEMBER 2023

- Spanish breakfast at the Hotel Restaurant
- 09:15 We leave the hotel and head to the southern most part of the Cabo de Gata Natural Park for a morning coffee stop at another one of its unique beaches, where there is time for coffee. We drive up to the lighthouse for some amazing views before settling in at authentic chiringuito for our Menu del Dia (included).
- We head back with comfort stops on route, arriving locally at approximately 19:30.

2* HALF BOARD HOTEL TIO FELIPE CARBONERAS

The family feel Hotel Felipe is perfectly situated in the beautiful Carboneras. Carboneras is a lovely little all year round coastal town with approximately 6,000 inhabitants. It has a number of small shops and lots of beaches! The hotel is located just 150 meters from the castle, where the coach can unload and 250 meters from the bar lined beach front promenade.

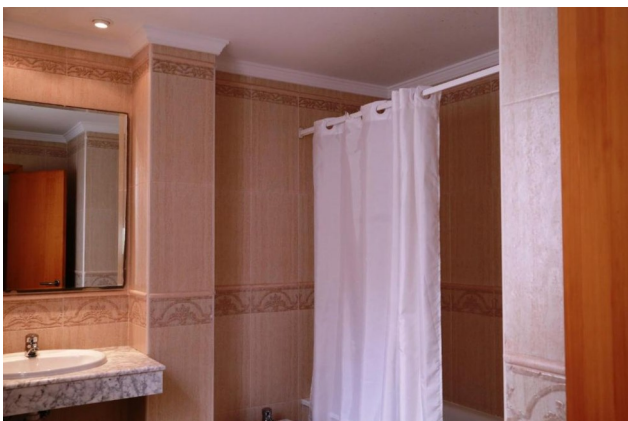

The hotel has a cafe, where the Spanish style breakfasts will be served and a restaurant, where the menu del noche will be taken. The hotel has an elevator, free wifi and all of the rooms have private bathrooms with a shower over the bath and air-conditioning.

Hotel Tio Felipe has a Booking.com rating of 7.6 Good and a Tripadvisor rating of 3.5. Here are some of the reviews

"Right in hub of village. Staff v friendly. Room basic but v clean. Highly recommended"

"Nice, centrally located hotel. The male receptionist was very attentive, friendly and accommodating. Would definitely stay again"

"The hotel receptionist. The location, the bars around, the room acceptable (although the furniture and bedding is dated), electric blinds and the shower had very good perfect pressure plus the elevator"

Breakfast, which is taken in the cafe beside the hotel, includes coffee or infusion and a toastado. Dinner is a 3 course meal with bread and table salad. Both the first and second courses will be chosen from the nightly menu. 1 glass of house wine, beer, soft drink or water is included. Please see the sample menu below

The restaurant, which is also owned by the same family, does not have a good Tripadvisor rating, in fact it has a score of 2 out of 5. This is not because of it's service or food, but because people are charged more than they think they should be. Your evening meal and first drink (1 glass of water, soft drink, beer or house wine) is included in the cost of this tour. All other drinks must be paid for, so please check the price when ordering. We have eaten at the Restaurant and were very happy with the service, food and price. [Click Here for the Link to the Reviews.](#)

There is the 'back street bar La Marina close by and a selection of bars along the beach front promenade, although they charge a premium for the privilege of the beach front location. Added to this there is a Mercadona 300 meters away and a hotel style mini fridge in each room.
